

Medical Identification Products

This is just a short list of some of the many options in medical identification products available for you. Remember, it won't work if you don't wear it!

MedicAlert®

Bracelets, necklaces/medallions engraved with the medical problem(s), ID number of the wearer and phone number of MedicAlert's database on back of emblem. The MedicAlert 24 hour emergency response center provides information in the MedicAlert database for the ID# on your necklace/bracelet/sports band. Prices start at \$35.00 plus annual \$20 **membership** fee. Available through MedicAlert Foundation – a nonprofit organization at 1-800-432-5378 or www.medicalert.org

American Medical Identifications

Bracelet, necklace or medallion in gold, sterling silver or stainless steel with your personal medical information. They will engrave several medical conditions, allergies or medications. Prices start at \$21.95. 1-800-363-5985 or www.americanmedical-id.com

Diabetes Research and Wellness Foundation

Medallion or bracelet. Free if you send a self-addressed stamped envelope. Mail request to: Diabetes Research and Wellness Foundation, P.O. Box 96046, Washington, DC 20090-6046. Please allow 4-6 weeks. 1-800-941-4635 or www.diabeteswellness.net

ID Technology
