Melanie Massiah-White, BS Pharm, MHA VP, Chief Pharmacy Officer	

Purpose:

Define the guidelines for pharmacy resident certificates and expectations for completion of the program and certificate obtainment.

Applies to:

All pharmacy residents within the Inova Health System (IHS). This applies to both Post Graduate Year 1 and 2 (PGY1&2) residency programs.

Definitions:

Certificate – refers to graduation certificate for successful completion of the requirements for the program.

Policy Description:

Required elements for completion of the residency program and award of graduation certificate include the following:

1. The resident must complete 52 weeks of fulltime (minimum 40 hours/week) work as required by ASHP standards. The program typically begins in July and is completed the following year.
2. The resident is expected to fulfill all staffing requirements (see program specific Addendum).
3. The resident must complete the required goals and objectives defined by the residency program (see program specific Addendum)
4. The resident must successfully complete the core presentations and projects of the program and achieve the required evaluation standards (see program specific Addendum).
5. For PGY2 programs, the resident must demonstrate an understanding of all topics listed in the ASHP Required Competency Areas, Goals, and Objectives Appendix for their respective specialty via documentation of direct/indirect patient care experiences

6. Completion of evaluation process and all necessary forms that are required; including but not limited to, PharmAcademic evaluations and quarterly development plans.
7. The resident must attend the American Society of Health-System Pharmacists (ASHP) Midyear Clinical Meeting and participate in the residency showcase booth and/or Personal Placement Services (PPS) for their respective program.
8. The resident must participate in the recruitment and selection process for the following residency class, including, but not limited to, participation with candidate interviews and onsite visits.

All decisions regarding resident advancement through rotations and ultimately graduation from the program will be determined by the Residency Advisory Committee (RAC).

Requirements for successful completion of the residency program are subject to change based on accreditation requirements, departmental initiatives, and extenuating circumstances.

Addendum A. Inova Alexandria PGY1 Pharmacy Residency Program

Required Element	Completion Standard
Staffing	(2) 8-hour shifts every 2 nd or 3 rd weekend (272 hours/year) (1) 8-hour shift on one major and one minor holiday (additional 16 hours)
